

Maths, Mastery, Artefacts and Art!

A twilight CPD session on using original art and artefacts to enhance your Maths teaching

"Just Fab - A great way to energise any thinking for a new school year"

"...interesting and good to think about finding maths in the world around"

"The artefacts are inspiring and very though provoking!"

"I liked applying questions to art - wouldn't have thought of it!"

"Excellent intro to fine service and very knowledgeable and passionate delivery"

Teachers at Rawdon St Peters Primary, September 2015

ArtForms Arts Development and ArtForms Artemis are delighted to offer this exciting new CPD opportunity for up to 40 KS1 and KS2 teachers. This 1.5 hour session will introduce you to techniques designed to support your pupils in developing a deep understanding and knowledge of Maths concepts and procedures.

Delivered by Jane Zanzottera, Arts Manager, ArtForms and Patsy Lyttle, Head of Artemis the session aims to provide practical examples of how to use artefacts and 2D art to teach Maths within the context of teaching for mastery - as well as giving you the opportunity to apply some of the techniques learnt. It will also provide an overview of the Artemis service and showcase the range of artefacts and 2D art available for schools to borrow.

The cost, which includes delivery of the session and a teacher resource pack for each delegate, is £300. The session can be delivered in your school or at the Artemis store in Holbeck, Leeds. To arrange this CPD, please complete and return the booking form to Patsy Lyttle patsy.lyttle@leeds.gov.uk.
