

**An opportunity to sing alongside The National Orchestra For All (NOFA) joining in with Leeds Youth Choir and Schools Choir at Leeds Arena on the afternoon of 26<sup>th</sup> July.**

NOFA are performing at Leeds Arena on the 26th July, and along with the Leeds Youth and Schools Choir we are creating an SATB choir to accompany their finale and also sing one other song.

It will be a spectacular multimedia performance of **Sunday** from Stephen Sondheim's acclaimed musical **Sunday in the Park with George**.

Join forces with us in this world-famous venue to sing alongside 150+ musicians in front of a crowd of 3000 people, performing with some of the country's most passionate and inspirational young orchestral players. Exploring the crossover between music and the visual arts, and featuring video installations by Norman Perryman, Somang Lee and Daria Wallace, this promises to be an inspiring and unforgettable concert.
