ARTFORMS MUSIC CONNECT CPD

MUSIC CONNECT, delivered by ArtForms, supports Leeds City Council schools and academies to deliver a rich and engaging music curriculum. Through our offer we are able to support schools through all stages of curriculum development to guide pupils to reach their potential. Music Connect receives funding from LMEP, the Leeds Music Education Partnership (of which ArtForms is the lead partner), which enables us to offer the programme to Leeds Schools and Academies **at no charge**.

During the academic year 2017-18, the programme comprises:

- 1 Professional development opportunities for teachers and supporting staff, delivered by music specialists.
- 2 Network meetings to support Primary Music Leaders
- 3 Bespoke advice and guidance sessions in your school (1 hour per school per year, extra time can be purchased). This meeting will usually take place with the Music Leader or SLT. Unfortunately it cannot be used as a Staff Training session.
- 4 Access to Charanga, the online music resource designed to support non-specialists to deliver the music curriculum
- 5 Priority access to additional Music Connect events
- 6 Priority access to instrument hire linked to CPD training
- 7 Centrally developed resources designed to support the delivery of the Music Curriculum
- 8 Email updates of national, regional and local developments in Music

All calendared CPD courses must be booked via the Leeds for Learning website. For all other enquiries or to purchase in-school training please contact Paula Brookes.
