ArtForms is the music and arts service and part of the 0-19 Learning Improvement Team.

The ARTS Development team has specialist knowledge of education and the arts (early years, primary and secondary) with a strong track record of school improvement and an understanding of the Leeds context.

The ARTS team work with teachers to deliver a rich and broad arts curriculum. Our offer includes:

- Bespoke 1:1 support to address specific school priorities
- A package of support and development for Primary Art/s subject leaders
- A PAYG menu of training across Art, D&T and other art forms

Bespoke School Support: visioning, planning and curriculum development

Bespoke support is available to schools in Art, Craft and Design and D&T. Support can be tailored to individual school need. Typically planned support may include:

- Strategic visioning and action planning for the arts - linked to the School Development Plan
- Curriculum development, including progression and assessment in Art, Craft and Design and D&T
- Modelling creative approaches to the teaching of literacy and maths

(NOTE: If a school has purchased a 5 or 10 day Bespoke Support Package from the 5-11 Learning Improvement Team, bespoke support from the ARTS team can be delivered as part of this package.)
