

How to run an Art Club

Find out all the essentials for setting up and running a successful art club

20th September 2016, Leeds City Academy, 4pm – 5.30pm

Curriculum links: Visual Art

An Art Club can be a great opportunity for you to really get creative with the children in your school without some of the curriculum and time constraints that you have as a class based teacher. This twilight session will take you through the essential elements of how to go about setting up an art club for your school. It will be led by Jo Lee, an artist, teacher and art club leader.

The session will include:

- Considering the benefits of establishing an art club
- Exploring a range of practical techniques and materials you may use in your art club
- Identifying a range of stimulus for activities
- Support with the practicalities (including a checklist)

Jo Lee is a mixed media artist and educator. A qualified teacher, she has worked in primary and high school settings. She has also led a successful after school art club in a school based in East Leeds.

Cost:

ArtForms Arts Development SLA schools: One teacher place included through SLA. Additional staff £40

Non SLA schools: £60 per delegate
