

## Using Clay for Sculpture

*Learn all the tips of the trade!*

26<sup>th</sup> January 2017, Leeds City Academy, 4pm – 5.30pm

Curriculum links: Visual Art

Clay is a fantastic material for children to use. It's easy to manipulate and because of its heritage can be used to enhance areas across the curriculum. This session is designed to provide teachers with hints, tips and techniques to ensure pupils clay creations are a lasting legacy of their learning.

The session will include

- Information on the best types of clay to use for different contexts and purposes
- The basic claymaking skills and techniques, including how to ensure your clay creation stays in one piece
- Exploring how clay can be used to create 3D sculpture

**Sam Paechter** is a trained teacher with an insatiable appetite for the arts. He has been using clay in primary schools since 1995. During that time he's worked with children to produce thousands of pieces of work, ranging from small models, pots and tiles to large communal pieces like the many clay murals and signs which adorn the walls of schools around Leeds.

### Cost:

**ArtForms Arts Development SLA schools:** One teacher place included through SLA. Additional staff £40

**Non SLA schools:** £60 per delegate
