

Music Connect

leading the way in CPD

2018-2019 programme

Supported using public funding by

**ARTS COUNCIL
ENGLAND**

Music Connect, delivered by ArtForms, supports Leeds City Council schools and academies to deliver a rich and engaging music curriculum.

Through our offer we are able to support schools through all stages of curriculum development to guide pupils to reach their potential. **Music Connect** receives funding from LMEP, the Leeds Music Education Partnership, which enables us, the lead partner, to offer the programme to Leeds Schools and Academies **at no charge**.

During the academic year 2018-19, the programme comprises:

- 1 Professional development opportunities for teachers and supporting staff, delivered by music specialists
- 2 Network meetings to support Primary Music Leaders
- 3 Network meetings to support Secondary Music Leaders
- 4 Bespoke advice and guidance sessions in your school (1 hour per school per year, extra time can be purchased). This meeting will usually take place with the Music Leader or SLT. Unfortunately it cannot be used as a Staff Training session
- 5 Access to Charanga and Sing Up, online music resources designed to support non-specialists to deliver the music curriculum
- 6 Priority access to additional **Music Connect** events
- 7 Priority access to instrument hire linked to CPD training
- 8 Centrally developed resources designed to support the delivery of the Music Curriculum
- 9 Email updates of national, regional and local developments in Music

Schools are permitted to send up to two delegates to each of the sessions from the calendar, subject to availability.

All training sessions are subject to change and will be regularly updated.

Unless otherwise stated, please book your chosen sessions via www.LeedsforLearning.co.uk

In-school training is chargeable at £150 per session.
