

I AM A SINGER!

I can use my voice in different ways e.g. whispering, speaking, singing, thinking.

I can use my thinking voice with some accuracy and control.

I can use big, clear mouth shapes to form words.

I have begun to find my singing voice, both on my own and with others.

I can sing with good posture and breathing.

I can sing a repertoire of chants and 2 and 3 tone songs from memory.

I can sing with an awareness of pitch and phrase, following the shape of melody.

I can set a starting pitch for a song.

I can maintain my own part with accurate pitch whilst hearing other parts.

I can sing in tune with expression (using dynamics and phrasing).

I can sing songs with a more complicated texture e.g. partner songs and 2 part rounds.

I can perform a song both on my own and as part of a group, to an audience, with increasing confidence.

I can demonstrate control of vocal techniques - breathing, posture, good tuning and diction.

I can sing confidently to a variety of audiences in different types of venue (e.g. outside, in a large hall).
