

Performance Tips!

Be Confident!

Nerves are normal and can even help a performance. Be confident, or at least pretend to be!

Enjoy it!

If you enjoy your performance, your audience is more likely to enjoy it too!

Relax!

Sometimes when we're excited or nervous, we play quicker than normal. Take your time, there's no rush

Keep Going!

Try not to stop - don't worry if you make a mistake, your audience might not even notice if you keep playing!

Practice!

Preparation is key
