- 1) Sing through each part until you learn each part.  
(audio on website)
- 2) Notice how all three parts form a chord.  
In the first bar...(forget the upbeat)
  - ❖ The bottom part is the root of the chord.
  - ❖ The middle part is the middle note of the chord. (3<sup>rd</sup>)
  - ❖ The top note is the top note of the chord. (5<sup>th</sup>)
- 3) Sometimes the chord is in a different shape.
  - ❖ In the last bar the bottom and top part sing the root.
  - ❖ The middle part sings the 5th of the chord. Top note!
  - ❖ Can you add the middle note of the chord? 3<sup>rd</sup> 😊
