

# Three Best Friends

To help you learn...

- Intervals
- Inversions (chord voicings)
- Harmonies

This song is a chord! In different shapes.

Shapes make harmony ♥♥♥

This song starts on a second inversion major chord.

In C...G, C, E

The song then moves through the inversions.

The Major chord (and this song) will teach you these intervals:

Major & Minor 3<sup>rd</sup>, Perfect 4<sup>th</sup> & 5<sup>th</sup>, Major & Minor 6<sup>th</sup>

One four all, three best friends

**Perfect fourth, major third**

Hear my trix, a **major sixth**?

Three best friends

We are heard, a major third

Three one three in my major key

Let's all lift to the **perfect fifth**

Three best friends

Can you see the **minor three**?

Three best friends

Can you fix the **minor sixth**?

Three best friends

I'm the fourth the perfect fourth

One four all

We are heard a major 3<sup>rd</sup>

Three best friends
