

Three Moon Beams

To help you learn...

- Intervals
- Inversions (chord voicings)
- Harmonies

This song is a chord! In different shapes.

Shapes make harmony ♥♥♥

This song starts on a second inversion minor chord.

In C...G, C, Eb

The song then moves through the inversions.

The **minor** chord (and this song) will teach you these intervals:

Major & Minor 3rd, Perfect 4th & 5th, Major & Minor 6th

One four all, three moon beams

Perfect fourth, minor third

Can you fix, a **minor sixth**?

Three moon beams

Can you see, a minor three

Three one three in my minor key

Let's all lift to the **perfect fifth**

Three moon beams

We are heard the **major 3rd**

Three moon beams

Hear my trix the **major sixth**?

Three moon beams

I'm the fourth the perfect fourth

One four all

Can you see a minor 3?

Three moon beams
