CELLO

The following practise will train you to judge the intervals between the notes and help you to develop a well-tuned musical ear.

1. Play the following well-known melodies on your cello. Where the notes are missing, try to work out the correct pitch to match the given rhythm and practise until you perform fluently.

Twinkle, Twinkle,  
Little Star

Row, Row, Row your Boat

Incy Wincy Spider

2. This time the rhythm is missing. Can you work out the rest of the tune?

This Old Man

Happy Birthday to You

3. Now have a go at this longer piece.
