

## YOUTH CHOIR PLANS FOR THE AUTUMN TERM

Dear all

I hope you are all well and settling back into school after the very long break. It will obviously be very different this year.

It was very sad to start the term by hearing that Jayne won't be continuing to run the Schools Choir this year. I am sure we will see her again at future workshops and residential. It is really good that Gaile has agreed to take over.

We have had to make different arrangements for the Youth Choir rehearsals. The Yorkshire College is too small for us to be socially distanced, so we can't meet there. Instead we have booked the ballroom at Pudsey Civic Hall on Wednesday evenings. Pudsey Civic Hall is a Covid safe venue.

**We plan to start in 2 weeks' time on Wednesday evening on the 7<sup>th</sup> October at the earlier time of 6.30 and will finish at 7.45.**

**We hope this arrangement will continue throughout the term**

**Please reply to this email letting me know if you can or can't be there on a Wednesday at that time.**

We are only allowed 15 pupils in each room with 2 staff and as we are looking forward to welcoming new members who are moving up from the Schools Choir your replies will let me know if we will need to book a second room.

Do familiarise yourself with summary of the attached document which gives guidelines about how to keep the rehearsals as safe as possible.

As with everything at the moment all of this could change very quickly. We will email immediately if this happens and also post messages on the Facebook and twitter pages.

Really looking forward to seeing you.
