

## CLYO FINAL REQUEST FOR INFORMATION

Dear CLYO parents / carers and members,

I hope you received my email about CLYO's return to rehearsals – information below.

The deadline for responses was Monday 12<sup>th</sup> but we're keen to make sure that no one is missed out who might want to be involved. I would really appreciate it if you could get in touch to confirm either way.

We have already started arranging staffing, groups and repertoire so do need to know ASAP. If I don't hear from you by Tuesday 20<sup>th</sup> Oct, we will not include you in our rehearsal plans just yet.

We have very strict COVID procedures and it is essential that we know in advance who is coming so that we can keep everyone safe. We absolutely cannot have people arriving at rehearsals that we were not expecting. I'm sure you can understand our need to be so strict under the current circumstances.
