

LSSO – REPLY NEEDED

Good afternoon,

I hope you received my emails about String Orchestra rehearsals. I'm just emailing to check whether your child is coming tomorrow?

We have very strict procedures because of COVID, so it is essential that we know in advance who is coming. If your child would like to come tomorrow, I will need to know by 10am tomorrow morning, otherwise they will not be allowed in unfortunately. I know that sounds harsh but we have to be strict to keep everyone safe under these circumstances. If they cannot come tomorrow but would like to start back another week, that's absolutely fine.

Additional info:

- Please bring a music stand or let me know if you need to borrow one
- Everyone must wear a mask until seated in the rehearsal (unless exempt)
- Temperatures will be taken at the door
- Parents will not be allowed in and must drop off at the door

Please could you send me a quick message to let me know? Even if it's to say "not yet" or let me know that they no longer wish to be part of the orchestra?

Many thanks,
Hannah
