

## CLYWO & CLYTWO RETURN TO REHEARSALS

Dear CLYWO and CLYTWO parents and carers,

We are finally back to wind orchestra tonight! Just a bit of final information for you all about a few things. Just to confirm, we are **meeting in person** tonight.

There has been a slight change to the plans, with all bubbles for the same group now meeting at the same time. The band members will be told on arrival which room to go to. They will also have their temperature taken on arrival.

**CLYTWO:** 5.15-6.30pm

**CLYWO:** 7-9pm

**If you have not responded to Ed to let him know you're coming, please can you do so ASAP at [Edward.Roberts@leeds.gov.uk](mailto:Edward.Roberts@leeds.gov.uk).**

### Parents and Carers

Unfortunately in order to keep to our legal room and group capacities we do not have a waiting area for parents and carers, and you should not come in to the building. You may drop your child off and collect them at the front door to ensure they arrive and leave safely, but you will not be able to wait inside the building at all during rehearsals. If we are unable to keep to this, the building management will not be able to allow us to rehearse as we can't meet the requirements for them to be covid-safe.

### Online Alternatives

Thanks to those who have already been in touch to let us know if they can't return but would like to remain a member. Ed will be in touch via the new Google Classrooms account later this week to share parts and resources for you.

For those who would prefer not to return in person but haven't been in touch with us yet, please do let us know and we'll get something set up for you. If your child has covid symptoms or has been asked to self-isolate as part of a school bubble, they should not come to in-person rehearsals, please let us know if this is the case and we will arrange an online alternative for that week.

If you have any other questions, please do ask Ed at [Edward.Roberts@leeds.gov.uk](mailto:Edward.Roberts@leeds.gov.uk).
