

## **BRASS BAND REHEARSAL 6<sup>TH</sup> NOVEMBER**

Hi all,

Unfortunately the announcement of the national lockdown has meant we will need to change our plans for this Friday's session.

The session will take place online through Google Classrooms at 5:15pm and will be for a shortened time of 30 minutes.

We haven't had the full guidance through from the government yet on whether educational groups can meet during lockdown so once this has been received and digested by the management team you will be contacted again to advise of plans for the rest of the month.

It's great that we can still meet online in the meantime. I have created backing tracks for two of the tunes which will help us in the rehearsals. I can play the backing tracks through my computer heard and played along to during the rehearsal. I will upload 'Migildi Magildi' onto Google Drive over the weekend so it's available for the children to play along to at home. 'Hava Nagila' is already on the drive and details on how to access the drive were shared in a previous email. I'm also working on a new arrangement which I will get out to you before Friday if it is completed in time, otherwise it will be ready for the following week.

As always, I'll do my best to help with any connection issues on the day. If you can't get in to the meeting, email me or text me on 07854 083253.

Kind regards,  
Ralph
