

## CLYTWO REHEARSALS

Dear All,

We are excited to be able to meet face to face again and rehearse. It has been enjoyable experiencing online rehearsals but it feels right that we should take this opportunity to play live once more together.

On the 8<sup>th</sup> and 15<sup>th</sup> of December we will be rehearsing once again at Pudsey Civic Hall, 5.15 – 6.30pm. This allows enough time to get everyone in safely checked and registered for an hour and a quarter rehearsal.

Originally we had said the last week of term would be our usual Christmas social event, but after this lockdown we think it's right to make music. We will arrange the date for the online parent/members quiz and let you know A.S.A.P

Please note if you feel at the minute you cannot join us face to face at the moment please let us know and you will be able to stream the rehearsal every week via google classrooms.

If you have any questions please feel free to email, and may I take this opportunity to thank you for your continuous support in our music making

As ever,

Ed, Alison and Ian.
