

CLYW0 REHEARSALS

Dear All,

We are excited to be able to meet face to face again and rehearse. It has been enjoyable experiencing online rehearsals but it feels right that we should take this opportunity to play live once more together.

On the 8th and 15th of December we will be rehearsing once again at Pudsey Civic Hall, 7- 8.45. Which allows enough time to get everyone in safely checked and registered for an hour and a half rehearsal.

Originally we had said the last week of term would be our usual Christmas social event, but after this lockdown we think it's right to make music. We will arrange the date for the online parent/members quiz and let you know A.S.A.P

We will have to slightly tweak the way the band is rehearsing in this new situation. As the term has gone on the band has expanded to the point where we cannot all be at Pudsey Civic Hall in one evening under current guidance. To start safely we are going to have the split the band into 3 bubbles. Each week two of the bubbles will be at Pudsey Civic Hall, whilst the 3rd will be streaming the rehearsal live on google classrooms at home. A member of staff will be online at all times to help anyone streaming the rehearsal and ask any questions on their behalf to the conductor. This will be on a 3 week rota, to make it fair on everyone.

Please note if you feel at the minute you cannot join us face to face at the moment please let us know and you will be able to stream the rehearsal as above every week.

For a reminder of which bubble you are in, please contact Ed at edward.roberts@leeds.gov.uk.

Group one - face to face at Pudsey 8th and 15th of December

Group two – face to face at Pudsey on 8th December and online 15th of December

Group three – online 8th December and face to face at Pudsey 15th of December

If you have any questions please feel free to email, and may I take this opportunity to thank you for your continuous support in our music making

As ever,

Ed, Richard and Aimee
