

## LSBE REHEARSALS IN DECEMBER

Hi all,

This week we've been discussing the possible return to face-to-face rehearsals for the ArtForms Friday night groups with lockdown due to end next week.

Obviously there is so much uncertainty surrounding what the restrictions will be and which tier we will be in.

We have made a joint decision amongst the groups to keep the sessions online until Christmas. It is our intention to return to face-to-face rehearsals in January provided there are no restrictions preventing this. We all obviously want to get back to rehearsing in person as soon as we can.

Our last session of the term will be on Friday, 18th December and we'd like this to be a fun occasion. We will be learning some Christmas songs in the run up to this rehearsal - music and backing tracks will go out this weekend. I would like the group to do a small performance of some of the music we have learned this term with parents invited to sit in and listen. We will also have a small fun quiz to round off the term. It will mean that the final session will run for one hour rather than half an hour.

Thanks to everyone for their patience and support. I'm so pleased that every member of the group has accessed the online sessions which has enabled us to keep the group together and work on some techniques and pieces. We are beginning to see the start of a route back to normality and that gives us all reason to be hopeful for the new year.

Many thanks,  
Ralph
