

## MUSIC TO PRINT OFF AND VIRTUAL VIDEO

Dear City of Leeds Youth Training Orchestra Parents, Carers and Members,

Please find attached, music to print off for 'Jurassic Park', which is the first piece we will look at for our forthcoming film-themed programme. Please could you have it printed off for tomorrow's session. (This email includes all of the wind and brass parts so you just need to print out the part for your child to play.)

We've been really pleased with the initial response to doing a second virtual video. We have had replies from just over half of the orchestra and the response is overwhelmingly positive so we will go ahead with the project, which will again be a collaboration with other City of Leeds Youth Music (CLYM) groups. If you haven't responded yet, don't worry as there is plenty of time to let us know whether your child would like to record a video for the project. We would also like to stress that if your child is not attending the online sessions they are still very welcome to submit a recording for the video. We will give further details about how to record the video when the music is sent out, but the quality of video and audio from a smartphone is perfectly acceptable.

In terms of time-scale, we will send out the music before the end of this month and then set a deadline for the recordings to be submitted which will not be before half-term. This will also allow us to look at the music in the sessions leading up to half-term. The piece also fits in with our film-theme programme, being 'Mr Blue Sky', which recently appeared in Guardians of the Galaxy volume 2, so we will work on it with this programme in mind as well. There is a link to a youtube animated video of the original recording of the song below:

We've also been alerted by our admin team that we are still short of a few enrolment forms for this year. If you know that you haven't yet submitted one, then please download the attached form, complete and return it to [educ.artforms@leeds.gov.uk](mailto:educ.artforms@leeds.gov.uk) If you're not sure whether you have submitted one yet, don't worry about it for now as we'll email out over the weekend to those whose form we have yet to receive.

Kind regards,  
Ralph Tong and Megan Swinchin
