### **EYFS (including Children's Centres and Private Nurseries)**

Using well-established music schemes of work and methods, we teach small groups or whole classes to improve outcomes in:

- phonological and phonemic awareness and retention
- social cohesion, emotional awareness and inclusion
- vocal confidence
- listening skills and improved attention

### **KS1 and KS2**

High quality outcomes are achieved through practical music making sessions. Music curriculum lessons are filled with singing and the playing of instruments which empower children and increase their skills, confidence and resilience.

Children's musical progress is monitored via the ArtForms Progression and Assessment document.

Age-appropriate musical instruments and learning resources can be supplied free of charge.

We recommend weekly teaching sessions of the following length:

- 30 minutes for each class in EYFS and KS1
- 45 minutes for each class in KS2

School staff are welcome to take part in NC lessons as their own CPD although sessions may be used as PPA cover.

### **Wellbeing and Recovery**

Designed in response to the government's safe practice guidelines for schools, this scheme of work focuses on body percussion, musical games and listening. With musical creativity at its heart, the programme supports children in their recovery from the consequences of Covid-19 and the anxiety associated with the isolation of lockdown. The music sessions are physically active, engaging, mindful, and most importantly of all, fun. Together with learning new musical skills pupils are helped to rebuild connections to their school community and are supported to reintegrate back into the classroom.

### **Big Sings**

Our NC team can extend their in-class provision by leading schools' key stage or whole school singing sessions.

We recommend 30 minute weekly sessions for each.

### **Curriculum Enrichment**

ArtForms NC teachers are trained and resourced to be able to offer a wide selection of after school and lunch time activities.

Why not book a multi-activity music club for targeted pupils each term?

We will work with you to choose the right activity for each group.

We offer choirs, mixed percussion, Samba, Bamboo Tamboo, African Drumming, recorders, ocarinas, Multi Instrumental Rock School, Ukulele or Music ICT with i-pads.
