

Music Connect

Leading The Way in CPD

2021-22 Programme

Supported using public funding by

**ARTS COUNCIL
ENGLAND**

Music Connect, delivered by ArtForms, supports Leeds City Council schools and academies to deliver a rich and engaging music curriculum. We work with schools through all stages of curriculum development with the aim of facilitating all pupils to reach their musical potential.

Music Connect receives funding from LMEP, the Leeds Music Education Partnership, which enables us, the lead partner, to offer the programme to Leeds Schools and Academies **at no charge**.

During the academic year **2021-22**, the programme comprises:

1. Professional development opportunities for teachers and supporting staff, delivered by music specialists
2. Network meetings to support Primary Music Leaders
3. Network meetings to support Secondary Music Leaders
4. Bespoke advice and guidance sessions in your school (1 hour per school per year, extra time can be purchased). This meeting will usually take place with the Music Leader or SLT. Unfortunately it cannot be used as a Staff Training session
5. Access to Charanga, Sing Up, or Out of the Ark online music resources designed to support non-specialists to deliver the music curriculum
6. Priority access to additional **Music Connect** events
7. Priority access to instrument hire linked to CPD training
8. Centrally developed resources designed to support the delivery of the Music Curriculum
9. Email updates of national, regional and local developments in Music

Schools are permitted to send up to two delegates to each of the sessions from the calendar, subject to availability.

All training sessions are subject to change and will be regularly updated.

Unless otherwise stated, please book your chosen sessions via www.LeedsforLearning.co.uk

In-school training is chargeable at £150 per session.

Schools and colleagues outside of Leeds are charged at the following rates:

Twilight sessions: £60

Half day sessions: £120

In the event of cancellation by the school, ArtForms reserves the right to collect fees according to the following guidelines: 5 days or more before delivery is scheduled - the fee is waived; 4 days or less before delivery is scheduled – 100% of full fee. This is applicable to all institutions regardless of subsidy.

The Music Connect Digital Offer

In recent years we have provided schools with membership to Sing Up or a licence for Charanga. These were fully subsidised by Leeds Music Education Partnership. This year we have a new package from Out of the Ark to add to the offer. Here is a summary of what each platform contains -

Charanga https://charanga.com/site/	Sing Up! https://www.singup.org/	Out of the Ark - https://www.outoftheark.co.uk/landing/universal-access/
<ul style="list-style-type: none"> • Charanga membership provides a vast library of resources, songs, instrumental courses and creative apps. • These include a week by week scheme of work for an entire primary school for a full year. • The schemes come with lesson plans showing clear progression and interactive resources for every lesson. • This platform provides the resources and support to enable non-specialist teachers to deliver Music lessons independently. 	<ul style="list-style-type: none"> • Sing Up has an extensive catalogue of established and commercially successful songs expertly arranged for young voices. • The songs come with high quality backing and performance tracks as well as sheet music and an interactive white board mode. • Membership gives you access to all their songs as well as teaching resources and support materials including their new Sing Up Music Units for every year group. • This is not only excellent for teaching but also to provide material and accompaniment for singing assemblies. • The breadth of the Sing Up catalogue is a real selling point. 	<ul style="list-style-type: none"> • Out of the Ark write their own excellent songs specifically for schools. • The songs are designed to be both age appropriate, and, musically appropriate in terms of the level of challenge. • Their catalogue includes bespoke songs for all areas of the curriculum, and for assemblies and school productions. • Their new package allows members to have universal access to their entire song catalogue and also offers curriculum ideas, lesson plans and listening activities.

Each of these three packages have something different to offer to support schools. Music Connect are delighted to be able to provide every school in Leeds with one licence to one of the above platforms, fully subsidised by Leeds Music Education Partnership.

To order the licence you wish to use for the next academic year please email sam.mercer@leeds.gov.uk by Friday 23rd July 2021.

We have a finite number of licences for each platform and they will be allocated on a first come first serve basis.

Requests made after 23rd July will be considered depending on availability.
