Terms and Conditions of Music Centre provision 2021-22

1. PROVISION

Face to face lessons will be provided, but online lessons will be offered if face to face cannot be provided. On occasions the timetable will be collapsed to accommodate concerts or workshops; lessons cancelled due to circumstances beyond our control (e.g. adverse weather) will be made up where possible.

2. PAYMENT OF FEES

Fees will be payable annually, in advance, with an option to spread the annual cost over a maximum nine-month period by Direct Debit. It will, additionally, be possible to make payments by other means and over different periods subject to agreement; details are obtainable on request. Students / parents are responsible for ensuring the Music Centre has an up-to-date contact address.

3. ABSENCE

Students will be expected to attend all instrumental lessons. Where, through illness, a pupil is absent for three or more consecutive lessons a credit will be allowed in respect of fees for lessons missed. There will be no other refunds made except in circumstances where, due to the absence or unavailability of a teacher, the requisite number of lessons cannot be achieved.

4. CANCELLATION

In the event that a parent or student wishes to give notice that provision is not to continue, this must be received by the Music Centre by email, or to educ.artforms@leeds.gov.uk Payment of fees will be required up to the end of the half-term in which this written notice is received.

5. INSTRUMENT HIRE

Subject to availability, the Music Centre may be able to provide instruments on loan to enrolled students. This service is provided free of charge during the first year of tuition, and at a cost of £16 per term in subsequent years. The provision of an instrument is subject to the following conditions:

- The instrument remains the property of Leeds City Council, and may be recalled at any time.
- You have agreed to take care of this instrument, and to indemnify Leeds City Council against any loss or damage (other than general wear and tear) while the instrument is in your custody and control.
- In your own interest, you are advised to obtain insurance cover for these risks: either through an extension to your household policy or through a specialist musical instrument insurer.
- If the instrument is lost or damaged, please notify the Music Centre immediately. We are often able to carry out minor instrument repairs at minimal or no cost. Do not attempt any repair yourself.

Consumables (such as strings, reeds, valve oil etc) may be available from the Music Centre, or can be bought from local music stores – see the reverse of your Music Centre student card for details of some suppliers who offer discounts for Music Centre students.
