

## CITY OF LEEDS YOUTH MUSIC RETURNS!

Dear all,

I hope you've all had a lovely summer and are feeling refreshed and ready for the new year!

We are pleased to say that all City of Leeds Youth Music groups can go ahead in person with minimal restrictions; these are covered in the attached guidance document but the main things to take away are:

- Parents should still not enter the rehearsal building;
- Masks are no longer required but may be worn if the young people choose to do so;
- There will be no social distancing requirement however all young people will have their own music stand and we will have the windows open for ventilation;
- You should inform us if your child tests positive for coronavirus within 48 hours of attending a rehearsal.

Just a reminder that if you haven't already done so, you should complete the enrolment form which is attached. It's important that we have an enrolment form returned for every young person each year.

The start dates, rehearsal times and venues can be found below:

We look forward to seeing you all again, and to a wonderful year of music ahead!
