# Youth Work & activities for young people

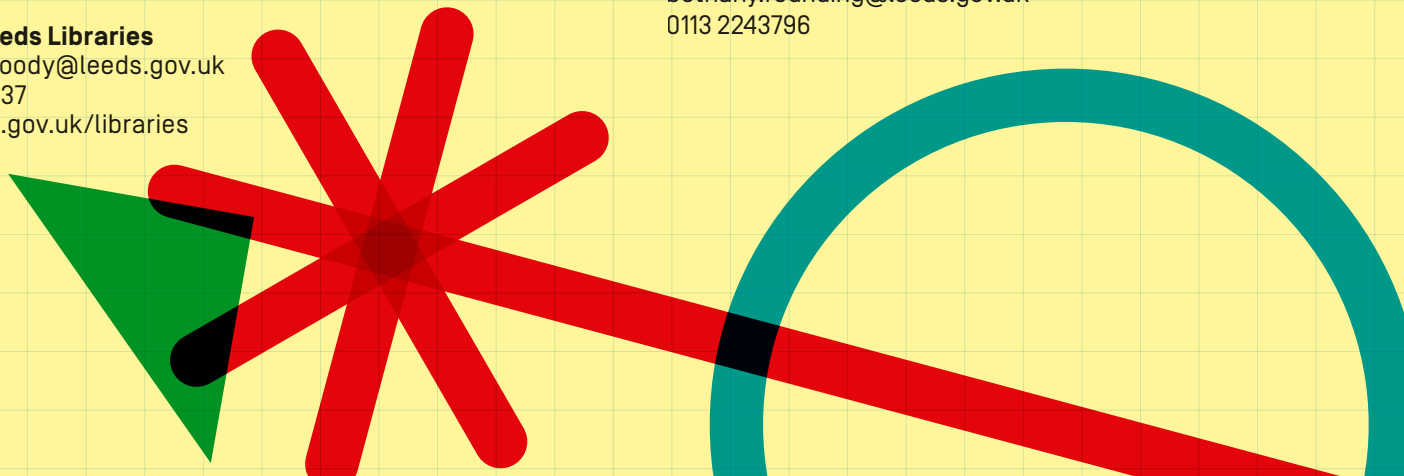

**If you are aged 11-17 years and living in Leeds, there are lots of different youth work activities that you can get involved with.** There is a lot to choose from, including sport, art and everything in between. These are delivered by Leeds City Council and other approved organisations.

If you'd like to have a say in what's on in your area, there are youth engagement panels, linked to the community committees. These make sure children and young people have the chance to influence services and activities available to them.
