**Brought to life through dance, live music and song, THUMBELINA is a gentle and playful performance with the beauty of the natural world at its heart.**

Children are invited to take part in Thumbelina's journey, build a shelter from sticks and escape with her from a hungry toad. Through their play Thumbelina gains the strength to carry on and make it safely home.

*Running time:  
1 hour, including  
interactive play*

**WHAT OUR AUDIENCE SAYS...**

“Everyone was captivated, neither of us could resist joining in.”

“We sing the Thumbelina songs together at home all the time now!”

“I absolutely can't recommend this enough! It's a beautiful interactive performance piece for kids that's been devised in such a mindful way. Gentle, creative, and collaborative – such a special show!”
