

City Of Our Dreams

Lyrics

[[Lyrics](#) [Pronunciation](#) [Literal translation to English](#)]

V1 [English]

In Leeds we live together, a city full of dreams,
With bustling streets around us, life bursting at the seams.
From Headingley to Roundhay Park, our playground comes alive,
A kaleidoscope of memories, a place where we can thrive.

Chorus [English]

It's Leeds, it's Leeds, where our hearts will always be,
The city of our childhood, the city of our dreams.
It's Leeds, it's Leeds, where our ambition knows no bounds,
A place where many cultures and identities can be found.
