My Virtual Music Book

Click on the pictures to transport yourself to different music YouTube channels. Can you complete the seven musical challenges?

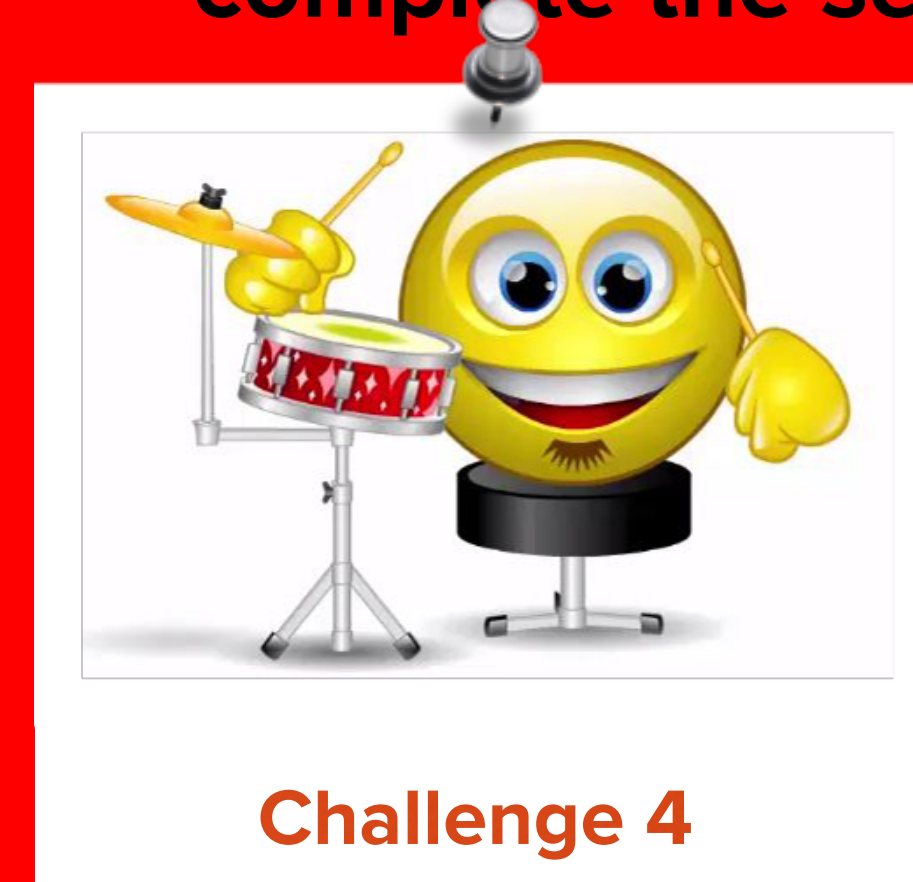

Can you help me to warm up my singing voice? Let's try to beat box! Can you say "Boots and cats and boots and cats" in time to a beat?

A listening challenge!! Listen to the music and answer the questions:
Is the music fast or slow?
What is the texture of the piece? (thick or thin)
Describe the dynamics of the piece.

Can you help me to learn a simple song?
Try to add the actions too!

Use your body to create percussion sounds!
Copy the actions on the screen.
How fast can you go?

Choose a colour (red, blue or yellow). Can you create a short vocal sound and make your sound when the little man lands on your chosen colour?

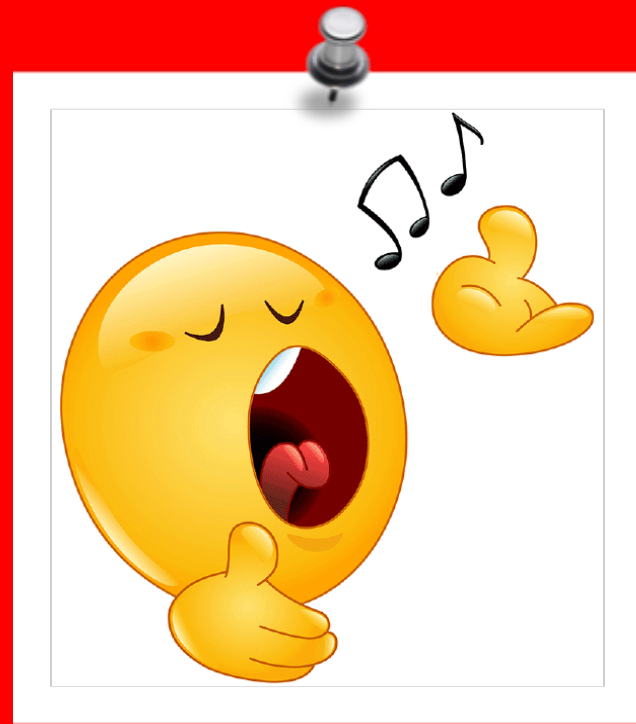

Can you follow the actions on the graphic score?

Listen to the music and choreograph your own movement. How does the music make you feel? How does your body want to move?

2021

I can warm-up my voice safely

I can learn a song and copy the actions

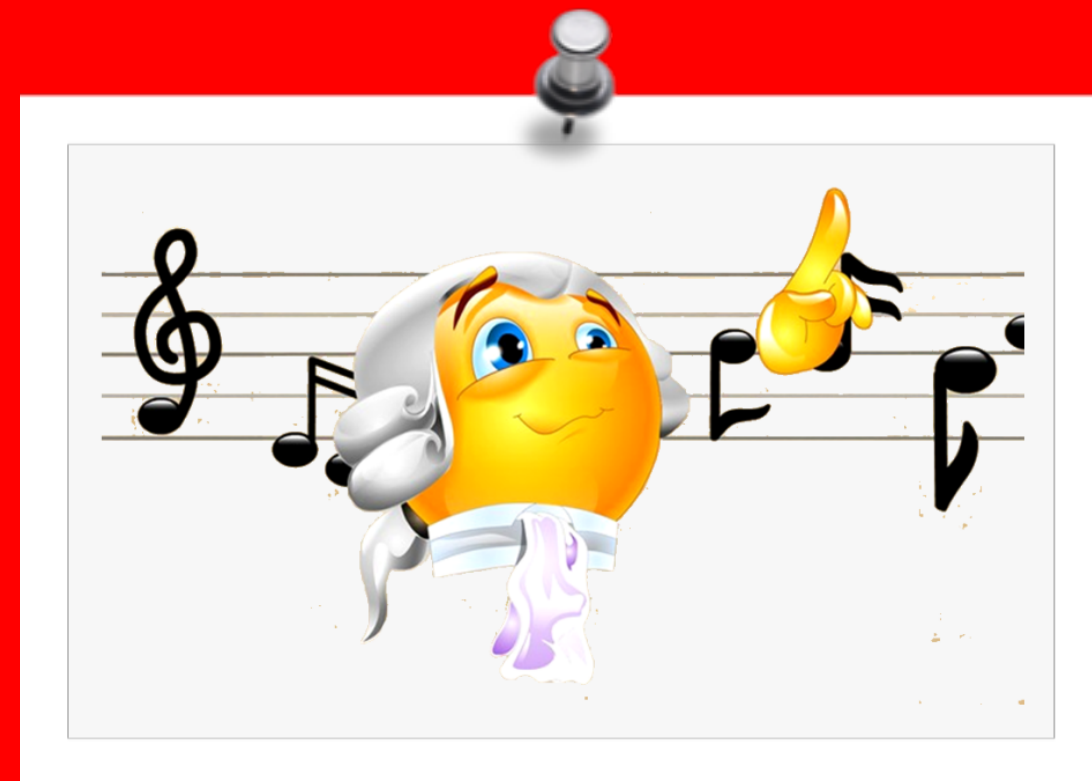

I can listen to a piece of music and identify the tempo, dynamics and texture

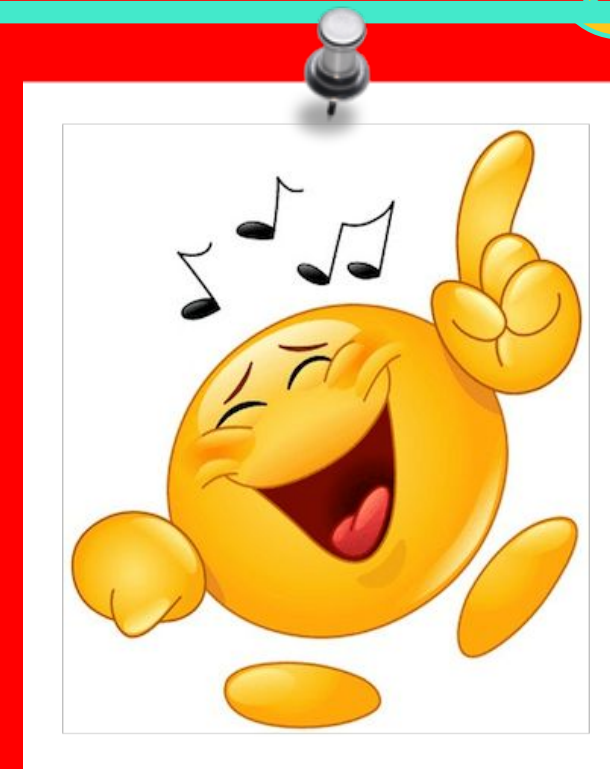

I can follow a graphic score using body percussion

Completing all of the Virtual Music

Challenges

I can follow a chosen colour within a graphic score and perform a vocal sound when asked to.

I can keep a steady beat and copy simple rhythms

I can listen to a piece of music and create movement to suit the mood

Watch the video about musical instruments. Write down or use pictures to help you to remember the tone (timbre) of the instruments.

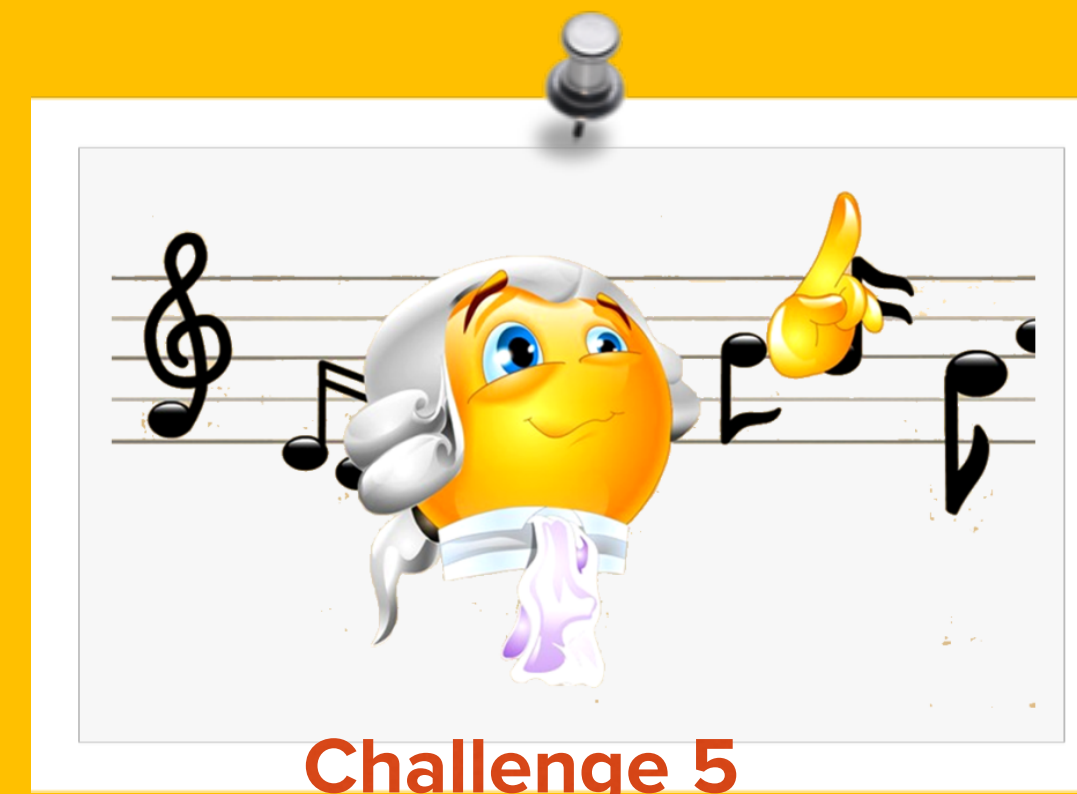

Can you name the musical instruments?
Listen to the music and answer the questions:

Can you help me to learn a simple song?
Try to make up your own actions!

Use your body to create percussion sounds!
Copy the actions on the screen.

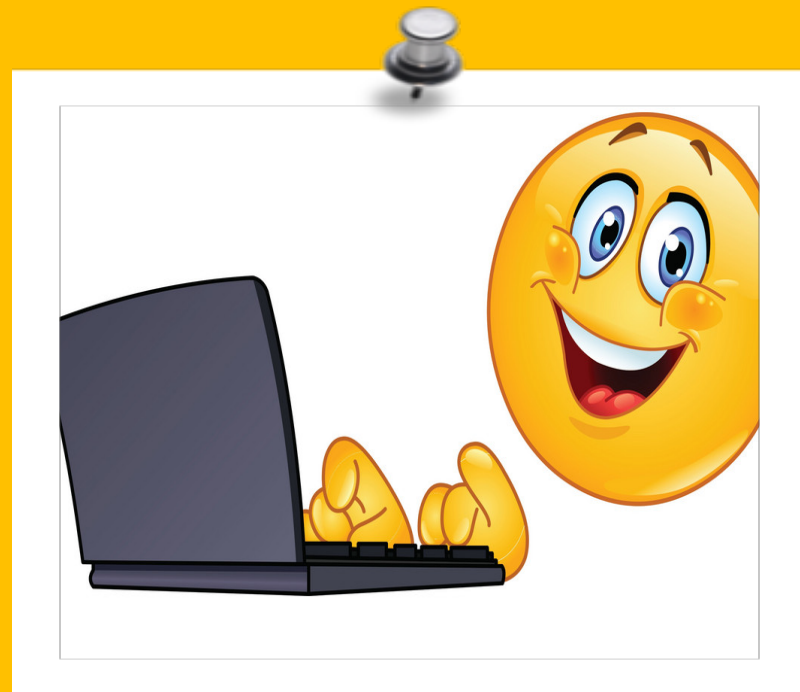

Choose an animal and compose your own short piece of music using the virtual piano. Notate your music if possible!

Can you watch and listen to the story while miming how to play the different musical instruments?

Can you compose lyrics for your own rap about animals? Use the drum beat to help you to keep in time!

I can listen and make notes about the different sounds that I can hear.

I can use my voice to sing high and low notes.

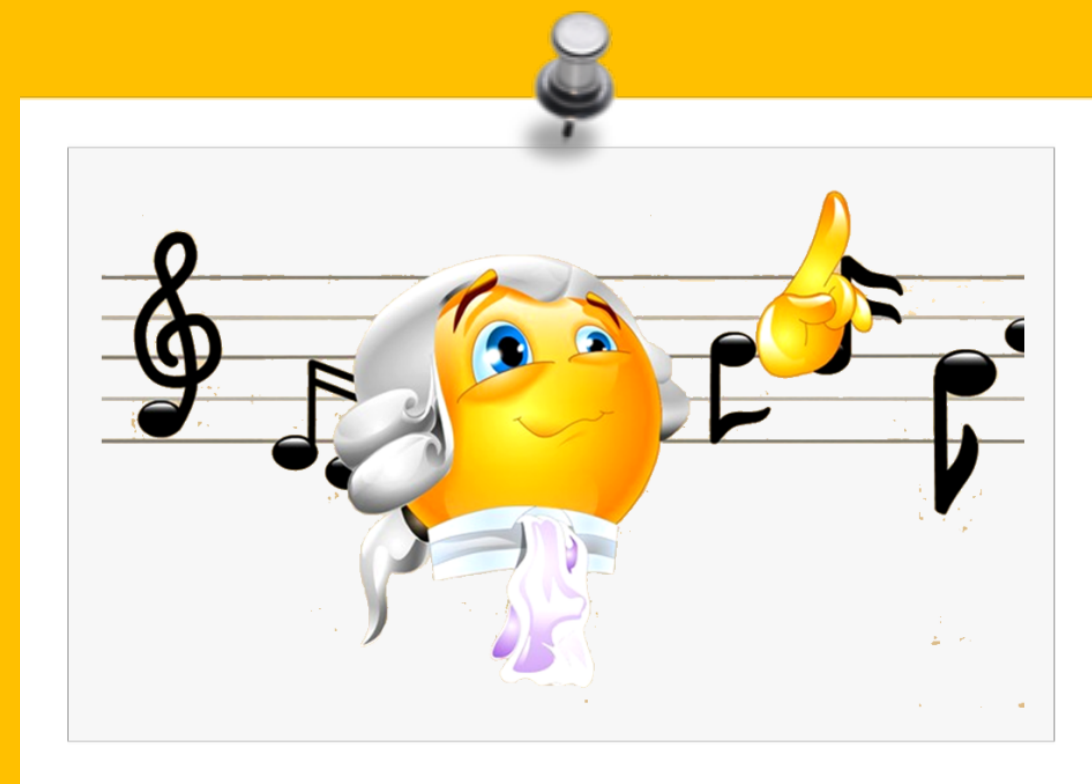

I can listen and identify the different musical instruments.

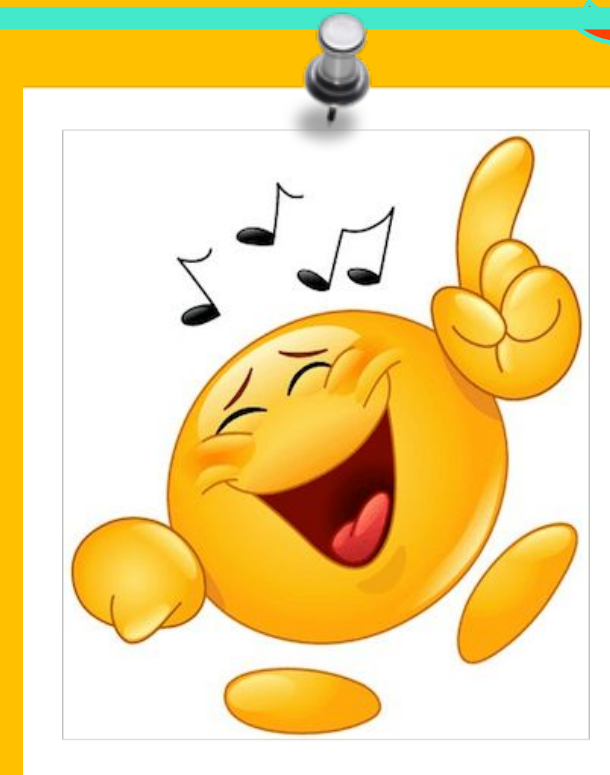

I can follow a graphic score using body percussion

Completing all of the Virtual Music

Challenges

I can compose a short piece of music focused on a given theme.

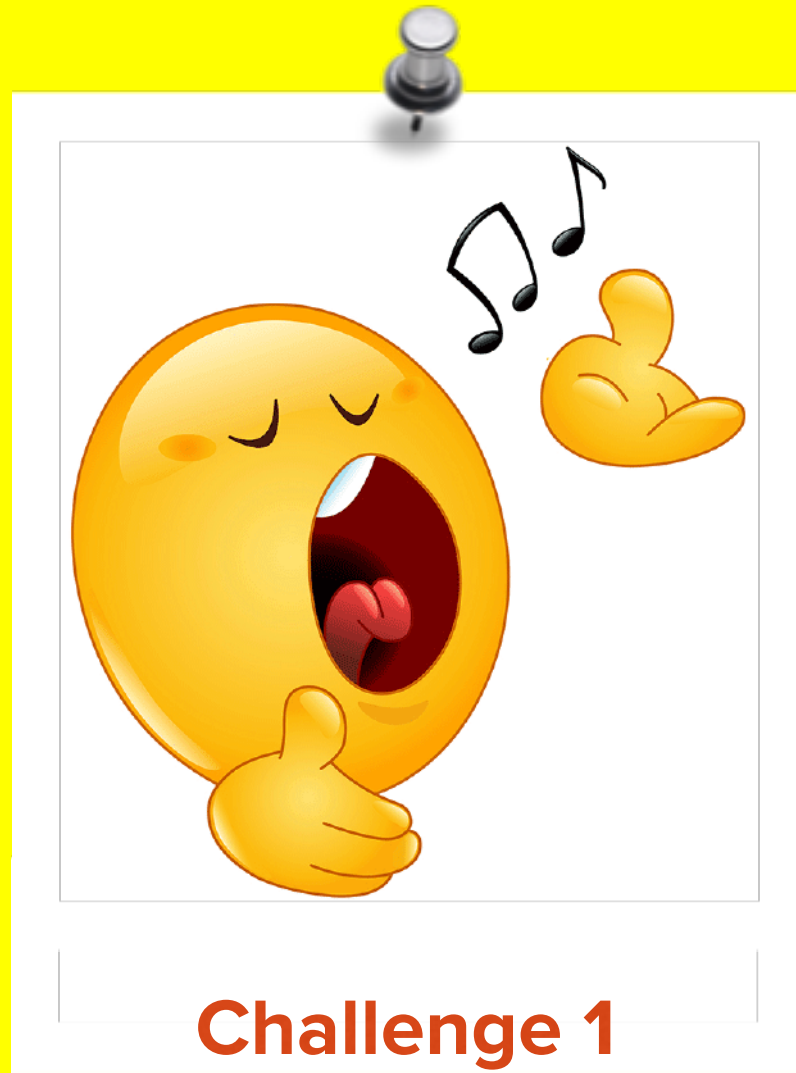

I understand how different instruments are played.

I can compose my own lyrics and rap in time to a steady drum beat!

Can you follow the leaders instructions and warm-up your voice?

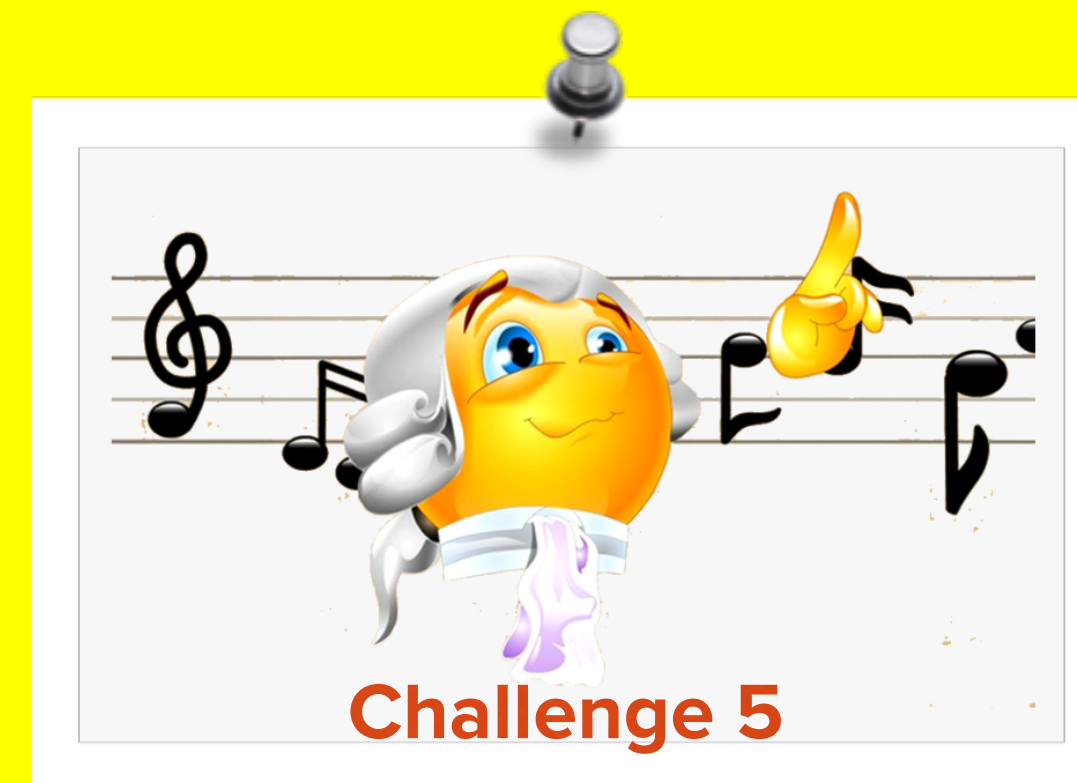

Listening Challenge! – Can you 'Name the Disney Songs'?

Can you help me to learn a simple song? Try to add the actions too!

It's BODY PERCUSSION time!!!! Use your body to create percussion sounds!

Oooooo this is EXCITING!! Can you 'Name the Tune' using your own virtual boomwhackers? Use the slide below!

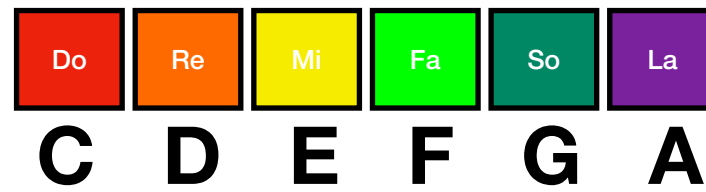

Prepare yourself for one of the hardest challenges so far!!! Are you ready to take on the HAND challenge??!!

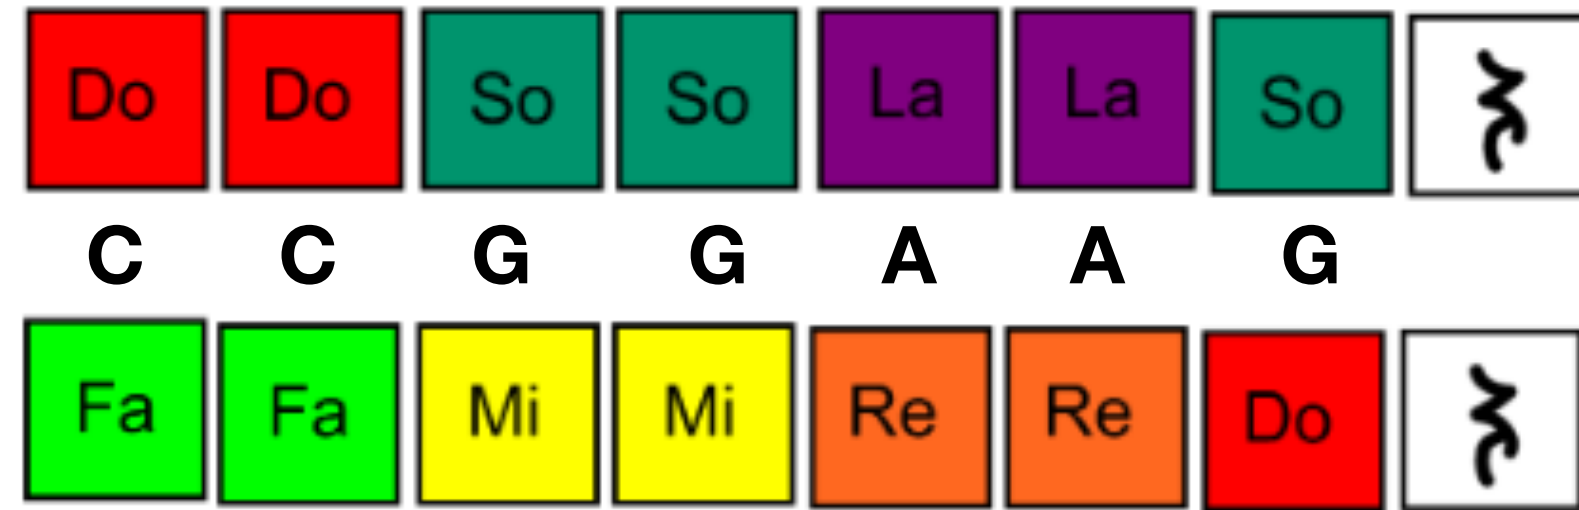

Can you relax your body? Are you able to listen and follow the instructions? Hmmmm lets see!!

These are the boomwhackers you will play

Can you name this song?

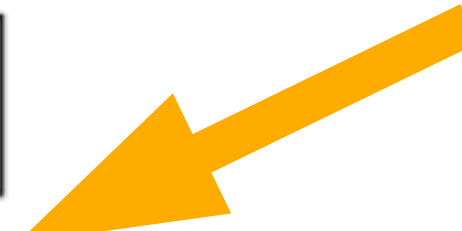

A Section

B Section

A Section

Boomwhacker Challenge!

Use the link below to open up your own set of virtual boomwhackers.

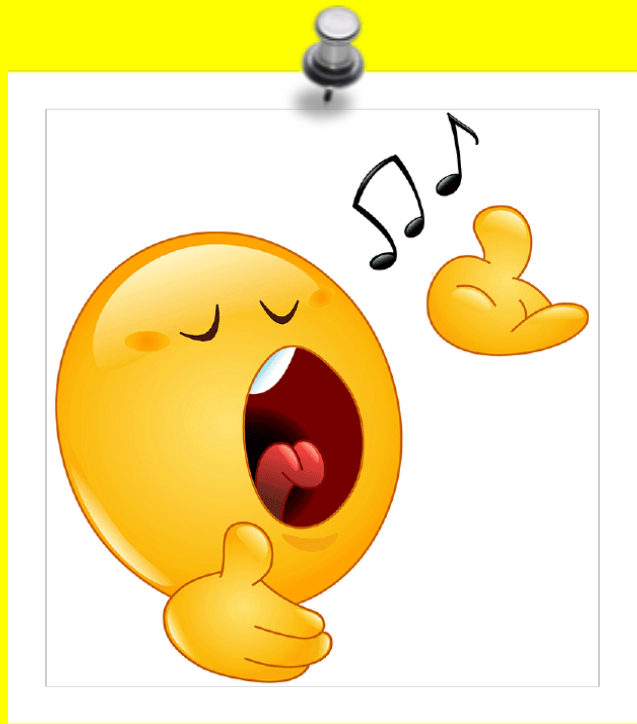

You will need to either print the 'Name the Song' chart out or write down the colours or notes.

Can you write down the notes under each coloured box? The first line has been completed for you!

You may need to click to change to a diatonic set of boomwhackers when you click the link below! Your set should look like the picture!

Do not use the small 'C' for this song! And you do not need to use a 'B'.

I can warm-up my voice safely and sing with good posture and breathing.

I can sing with expression and perform a song with confidence.

I can listen to extracts of music and identify the song.

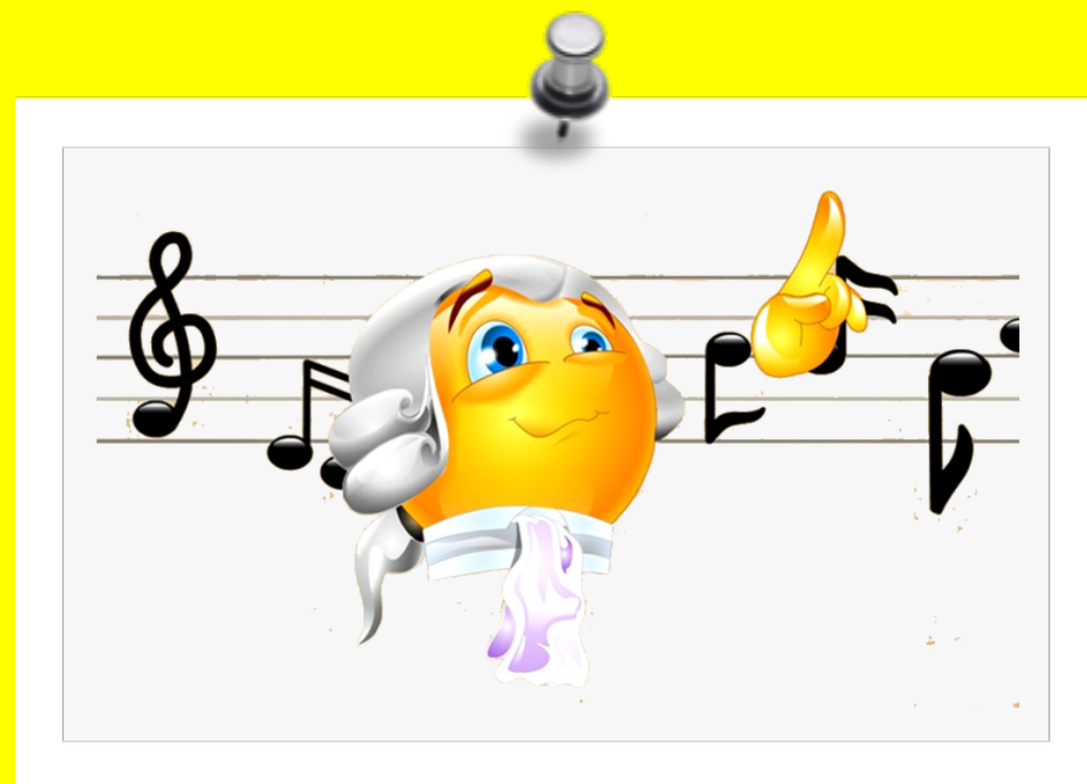

I can follow a graphic score using body percussion.

Congratulations for

Completing all of the Virtual Music

Challenges

I can follow a piece of music and confidently play my virtual boomwhackers.

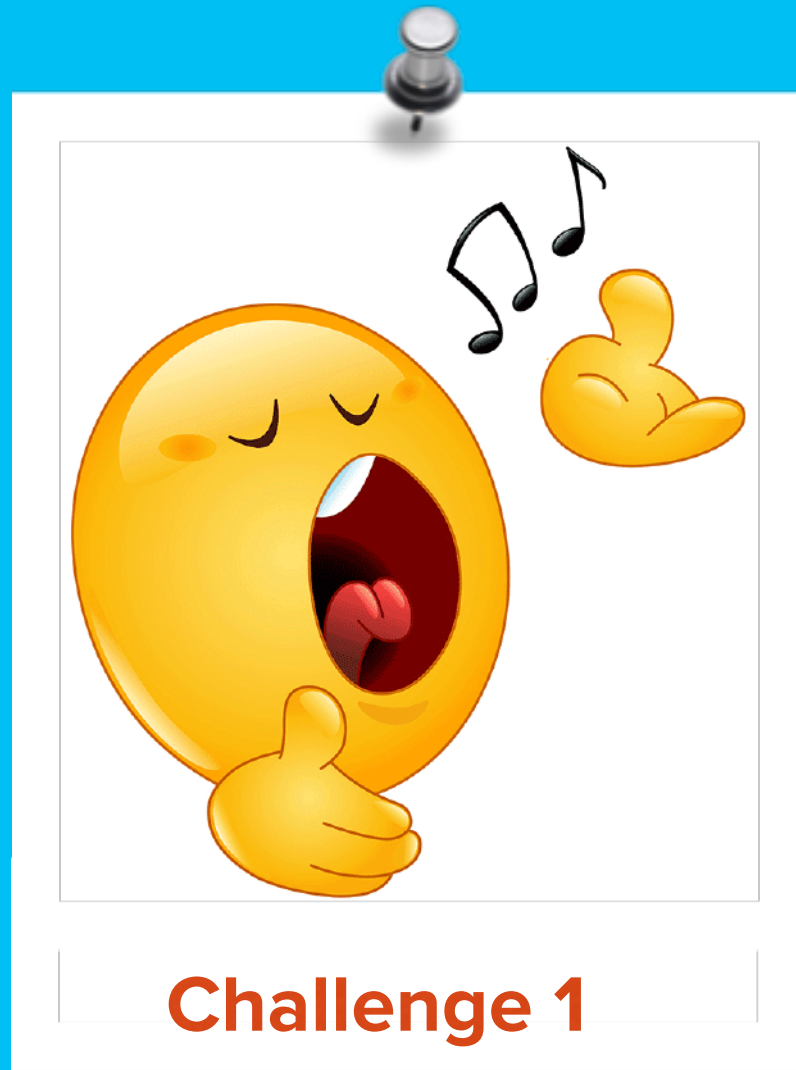

I can keep a steady beat and copy simple rhythms using my hands.

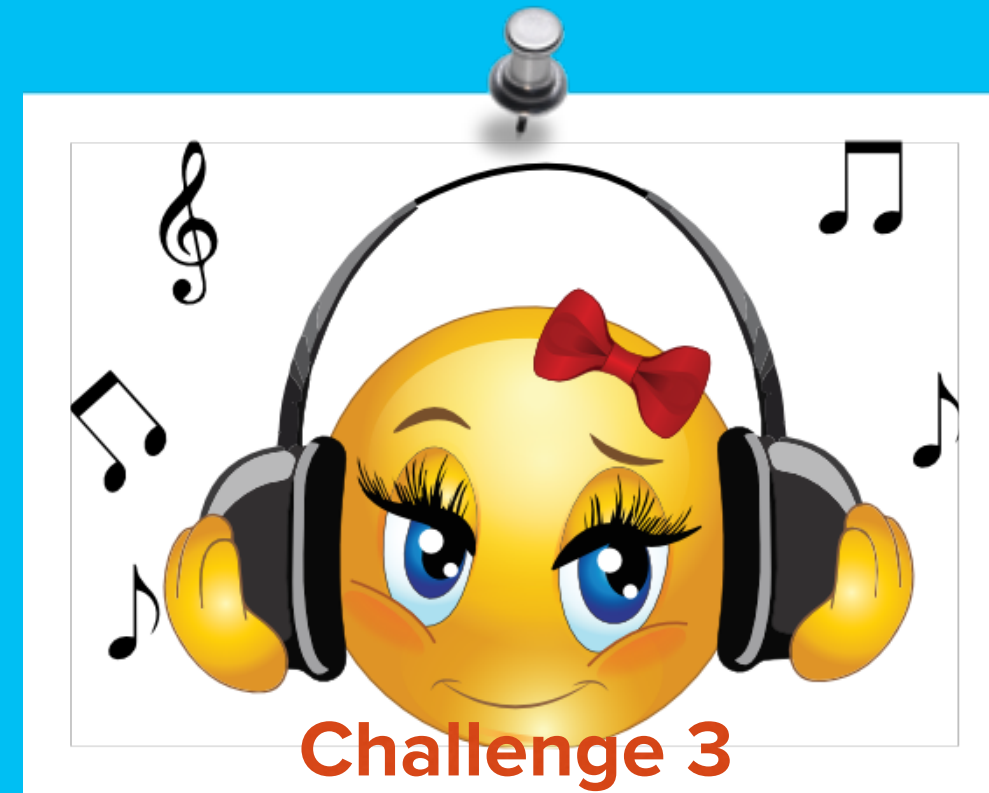

I can listen to a piece of music and follow the leaders instructions.

My Virtual Music Book

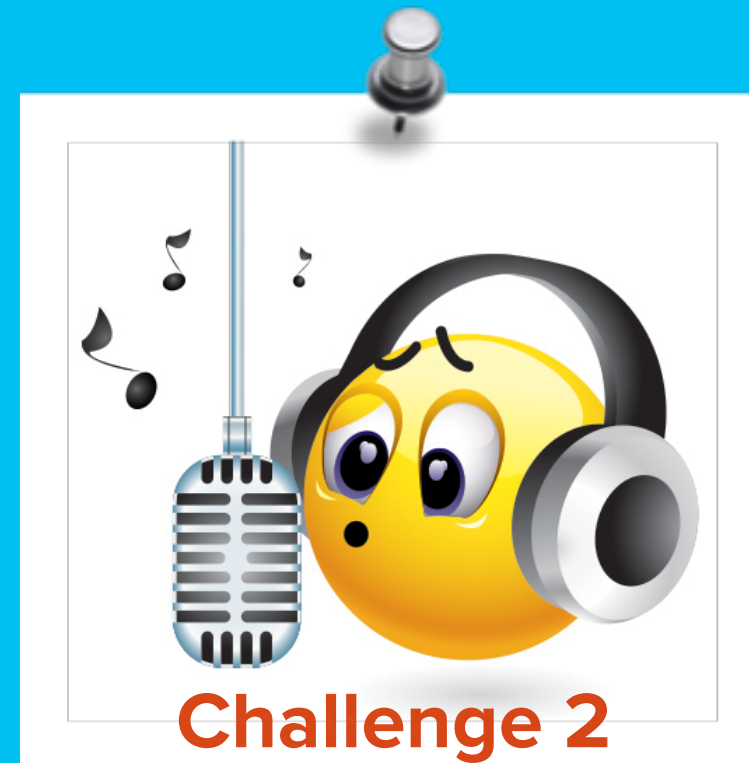

Click on the pictures to transport yourself to different music YouTube channels. Can you complete the seven musical challenges?

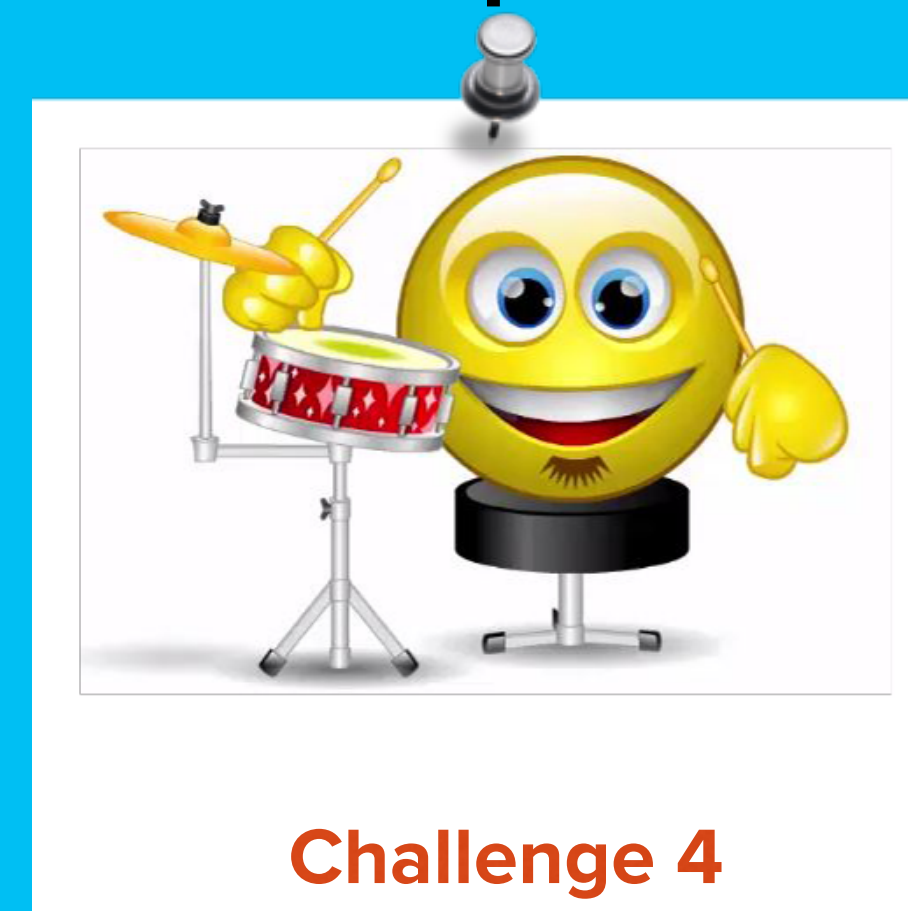

Can you help me to warm up my singing voice? Let's try to beat box! Can you say "Boots and cats and boots and cats" in time to a beat?

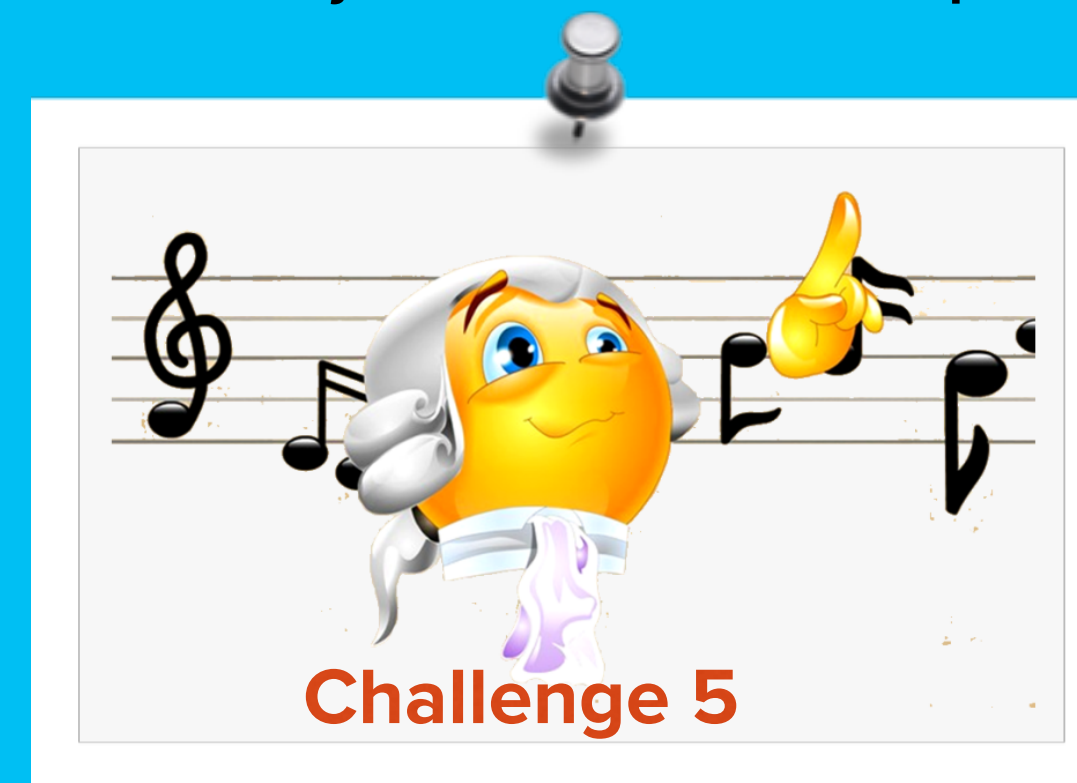

Brilliant!!! A listening challenge!! Listen to the music and write down the musical instruments that you can hear!
Is the music fast or slow?

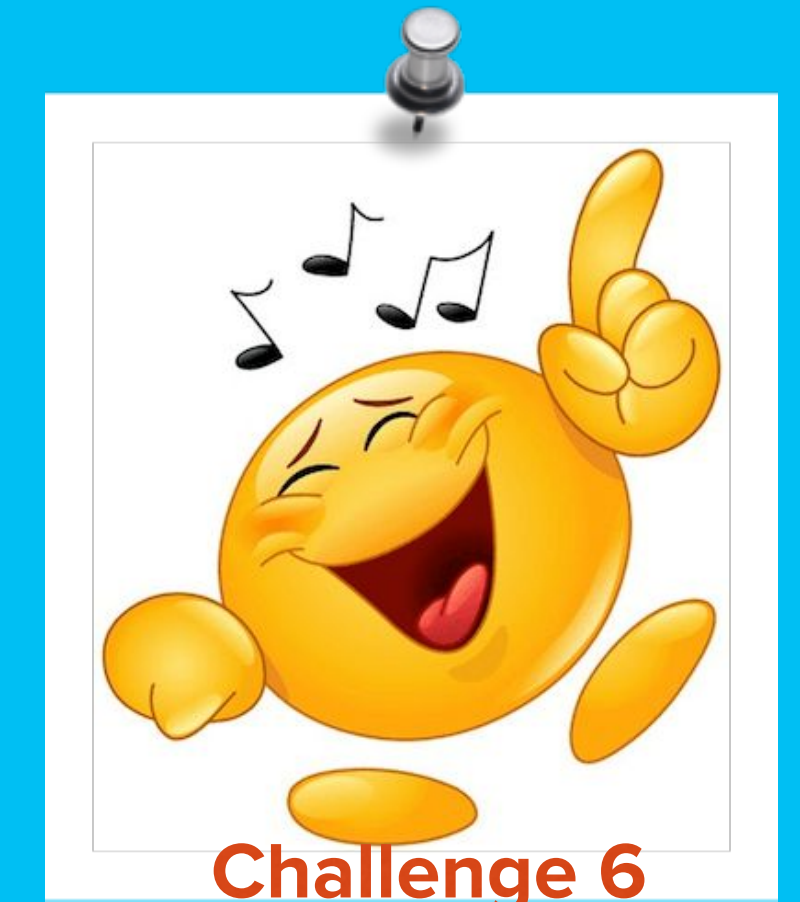

I need your help to learn a song! Can you follow the leader and keep in time to the music? Maybe you could change the actions when you become more confident!!

Let's all be a human drum kit! Use your body to create percussion sounds! Dance to the verse of the song or try to learn the rap! It's very fast 😞
Follow the rhythms and answer the questions.

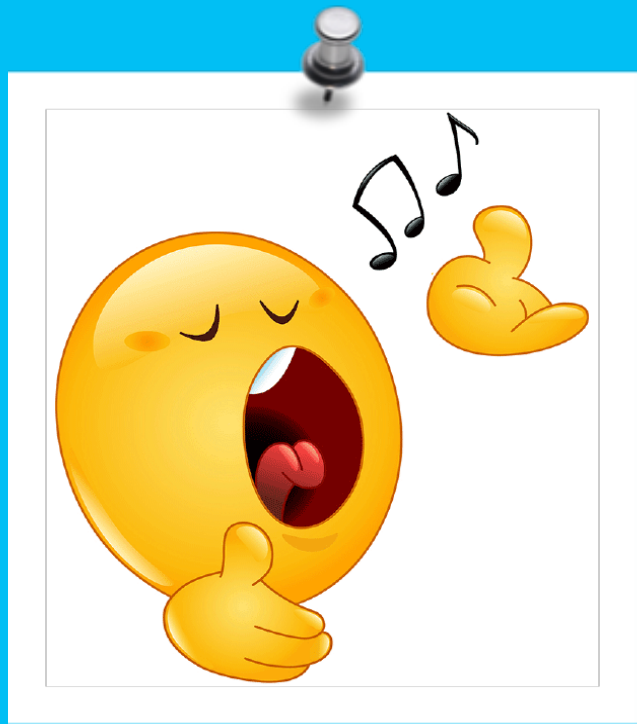

Can you compose your own little tune using the virtual keyboard?
Start on the note C and end on the note C.
Record your tune if you can or write the notes down to perform later!

This challenge is for all you dancers out there! Can you follow the actions on the graphic score?

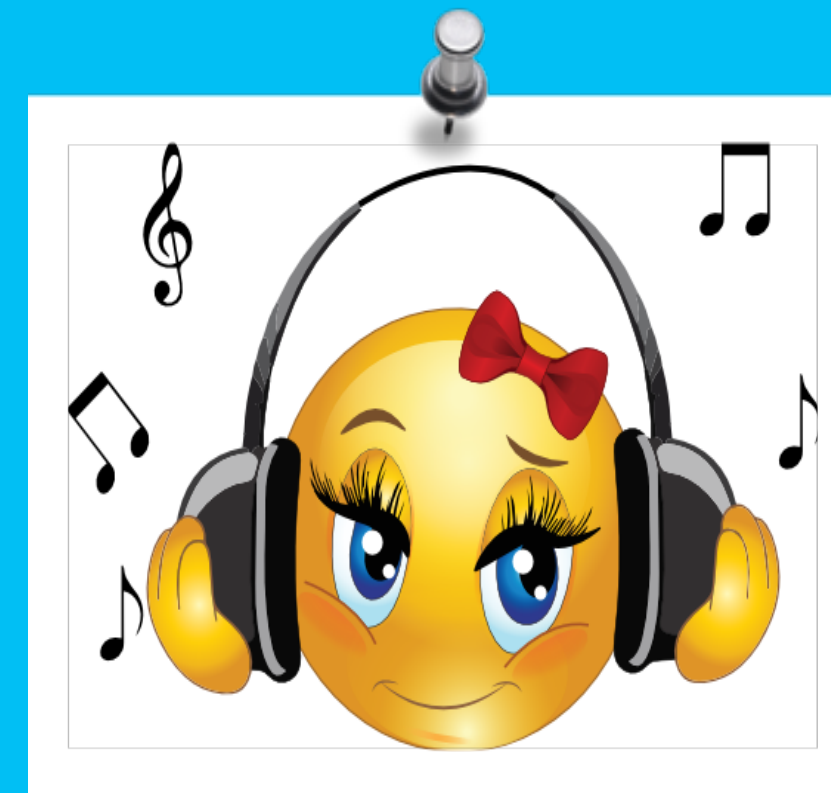

This is the biggest challenge!!! Can you 'chill out' and listen to the music! Draw a picture about what the music makes you think of!

I can warm-up my voice safely

I can learn a song and follow a leader

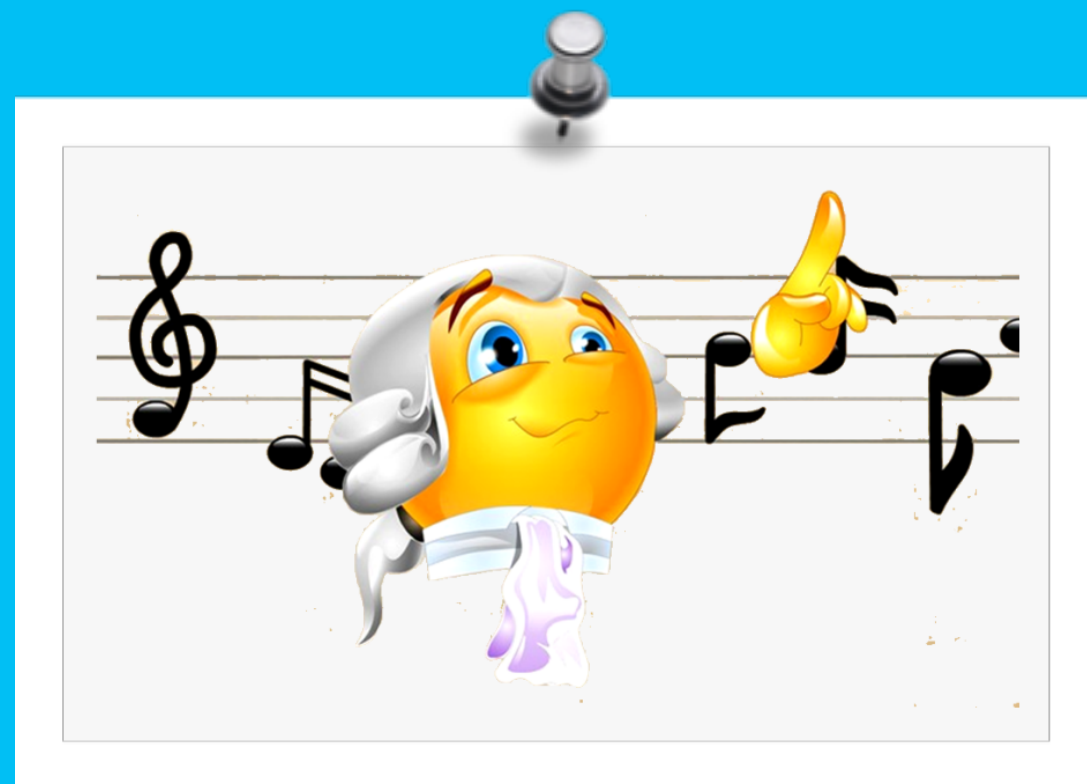

I can listen to music and identify different musical instruments

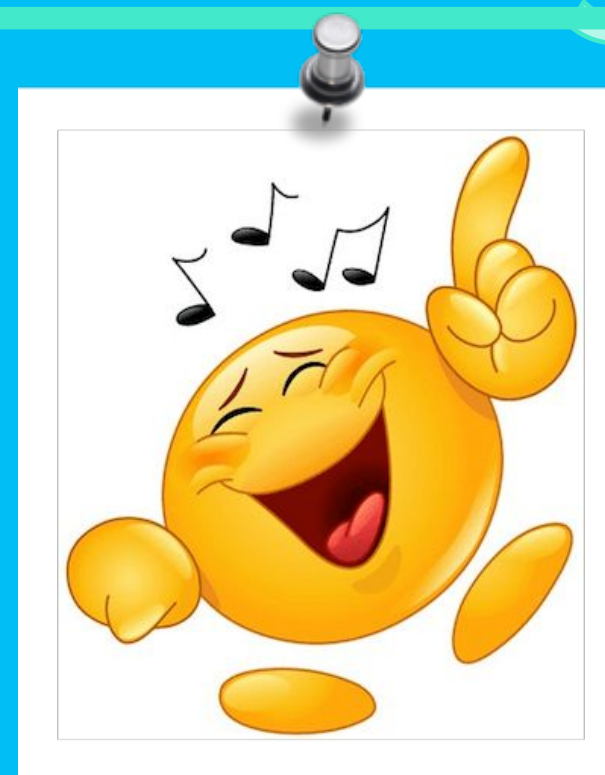

I can follow a graphic score using body percussion and identify different rhythms

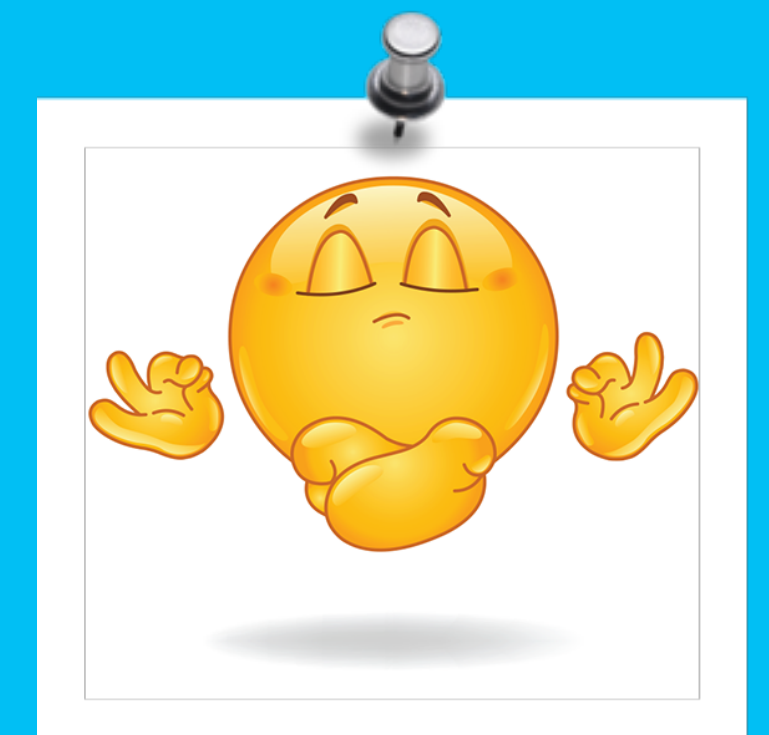

Congratulations for Completing all of the Virtual Music Challenges

I can compose a short melody using a keyboard starting and ending on the note 'C'

I can keep a steady beat and follow a graphic score to perform a dance

I can listen to a piece of music and allow my imagination to help me to draw a picture
