

ArtForms charging and remissions policy 2025

Charging, remissions and subsidy policy information for young people, parents, and schools in Leeds

Introduction

A key objective of the Music Education Hub grant provided to ArtForms by the DfE is to help assist in the removal of barriers to learning and making progress for young musicians. As such, this policy has been created to help parents and carers support their children's engagement and progress in music across a range of activities provided by ArtForms.

FEES AND CHARGING

Ensembles, bands, choirs, orchestras

Each ArtForms Music Centre runs at least one ensemble, band, choir and/or orchestra that is currently free of charge to all children and young people who join a tuition group in the centre. In addition, City of Leeds Music Groups for young musicians are available for beginner, intermediate and advanced abilities. When a young person signs up at each level, they are able to attend multiple groups in that level for one enrolment cost.

Further information about our subsidised ensembles, bands, choirs and orchestras can be found here [Find Your Ensemble – Artforms Leeds](#)

Instrumental and Vocal Lessons

Lessons that take place in the majority of schools are undertaken via a service level agreement and charges are made with each school based upon their requests for tuition and other activities. Parents and Carers of children in receipt of such lessons should contact their school if they feel they are eligible for a remission of fees and the school should apply to ArtForms for support on their behalf.

ArtForms also provides lessons as part of its weekly music centre activities during term time. Information about fees for tuition can be found here [Microsoft Word - Music Centres - What Does It Cost.docx](#)
