An adventurous tale from Speedwell Dance of seasons gone awry, an ancient and powerful witch and the determination of children to put things right.

Join musicians and dancers to awaken scampering creatures, tiptoe past the Mountain Witch's cave and finally convince her to let the sun return.

A playful and inclusive experience for children aged 3–8 years and their grown-ups. With inspiring dance, songs and original music played live on clarinet, flute and cello.

Running time: 1 hour, including interactive play

WHAT OUR AUDIENCE SAYS...

"Speedwell Dance's amazing performers wove spells as powerfully as the Mountain Witch did. No child could resist being drawn into their joyful interactive world!"
